

**FISHBOURNE PARISH
NEIGHBOURHOOD PLANNING
REFERENDUM**

INFORMATION FOR VOTERS

About this booklet

On 11 February 2016, there will be a referendum on a neighbourhood development plan for your area. This booklet explains more about the referendum that is going to take place and how you can take part in it. In this booklet you can find out about:

- The referendum and how you can take part
- The neighbourhood area
- The neighbourhood plan
- The development plan [of which neighbourhood plans are part]

Referendum on the Neighbourhood Plan

A referendum asks you to vote 'yes' or 'no' to a question. For this referendum you will receive a ballot paper with this question:

Do you want Chichester District Council to use the neighbourhood plan for Fishbourne Parish to help it decide planning applications in the neighbourhood area?

How do I vote in the referendum?

You vote by putting a cross (X) in the 'Yes' or 'No' box on your ballot paper. Put a cross in only **one** box or your vote will not be counted.

If more people vote 'yes' than 'no' in this referendum, then Chichester District Council will use the Neighbourhood Development Plan to help it decide planning applications in Fishbourne.

The Neighbourhood Development Plan once adopted will then become part of the Development Plan. In the Chichester District Council Local Planning Authority area the development plan currently consists of the adopted Chichester Local Plan: Key Principles 2014-2029, the adopted West Sussex Minerals Local Plan, July 2003 (saved policies edition); and the West Sussex Waste Local Plan (April 2014).

If more people vote 'no' than 'yes', then planning applications will be decided without using the Neighbourhood Development Plan as part of the Development Plan for the local area.

What is Neighbourhood Planning?

Neighbourhood planning aims to help local communities play a direct role in planning the areas in which they live and work.

A community can prepare a neighbourhood plan. This plan can show how the community wants land to be used and developed in its area.

What is a neighbourhood area?

A neighbourhood area can cover single streets or large urban or rural areas. The boundaries of a neighbourhood area are put forward by:

- Parish councils
- A neighbourhood forum (a group of at least 21 people in areas without parish councils)

In Fishbourne, the boundary of the neighbourhood area was determined by Chichester District Council and is identical to the parish area of Fishbourne.

Who can prepare a Neighbourhood Plan?

Neighbourhood plans are prepared by town or parish councils, or neighbourhood forums. In this case, the Fishbourne Neighbourhood Development Plan was prepared by Fishbourne Parish Council.

What is a Development Plan?

In England, planning applications are determined by local planning authorities in accordance with the Development Plan. A Development Plan is a set of documents that set out the policies for the development and use of land across the entire local authority area. Within the Chichester District, the local planning authority is Chichester District Council.

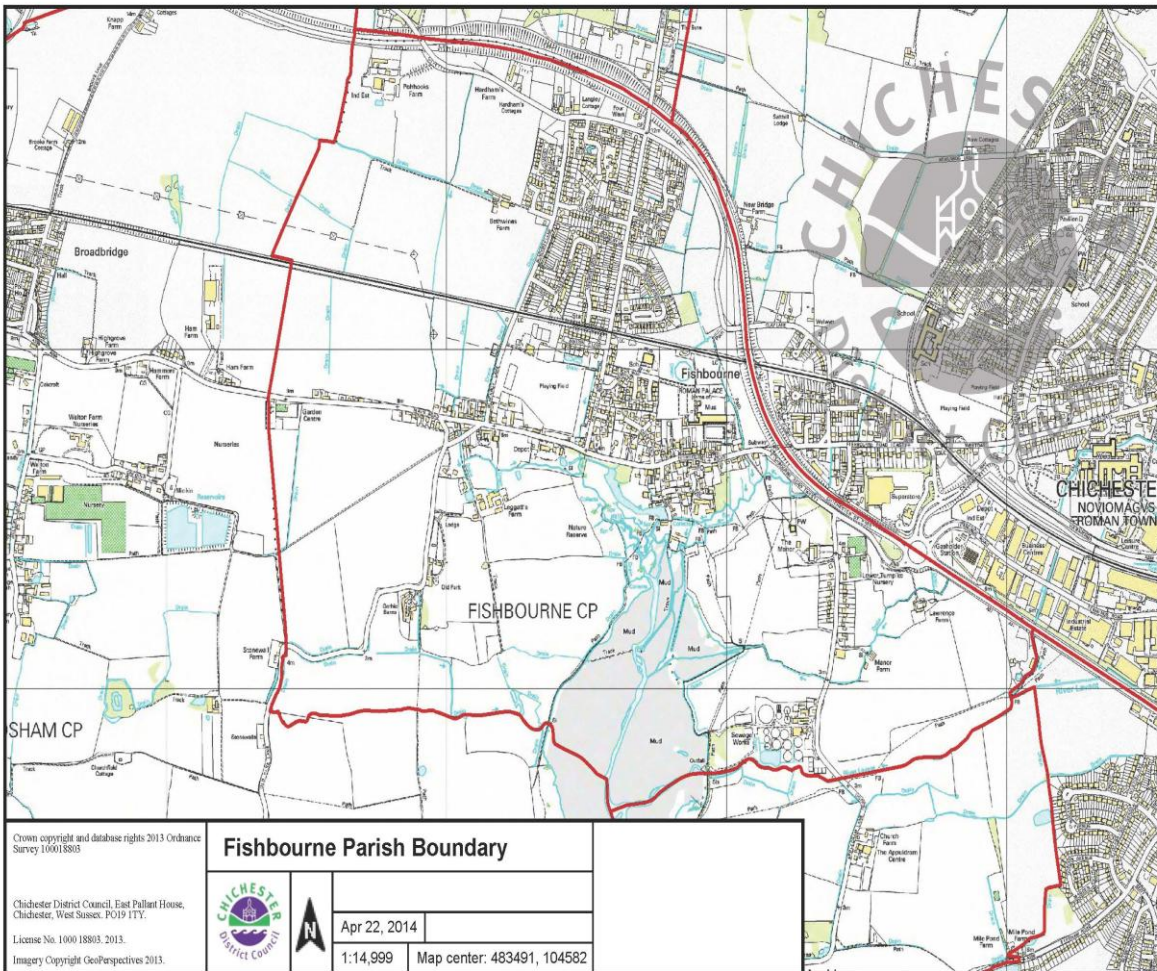

Neighbourhood Planning in Fishbourne

The Referendum area is identified on the map overleaf as the parish area of Fishbourne Parish Council and is identical to the area which has been designated as the Fishbourne Neighbourhood Development Plan area.

Who is the Planning Authority?

The planning authority for Fishbourne Parish is Chichester District Council. Chichester District Council is the lead authority for Neighbourhood Planning matters in the parish, including Neighbourhood Planning Referendums.
