Why do I think we need this?

Sorry, we can't fit your article in (The Valley Diary) this month ☹️

Unfortunately you've missed the print deadline for this month

I wonder who shares my interests?

Does anyone know a good plumber locally?

We had to cut some text out to fit it in... hope that is OK?

I'm only interested in bits of The Valley Diary

One place where ALL the events which is always up to date

Our group could do with a website, but don't have the expertise to set one up

Who else thinks XXXXX is a good idea?

I've just moved here, how do I know who shares my interests?

What it's not...
