

# Grants and Concessions Panel

## Annual Report Financial Year 2018/19

The Annual Report is intended to document the Grants and Concessions Panel's review of its decisions in the previous year. Contributing to the Council's commitment to transparency, it is a public document, with the final version made available on the Council's website.

Consideration of the Annual Report by the Grants and Concessions Panel provides an opportunity for the Panel to make amendments to the programme's Guidance supporting continuous improvement of Grants and Concessions processes and also to make recommendations back to Cabinet for any changes to Policy.

### 1. Grants

During the last financial year, grants have been considered and determined in two ways:

Four Panel meetings considering bids in excess of the Fast track limit were held on:

- 11<sup>th</sup> July 2018;
- 10<sup>th</sup> October 2018;
- 30<sup>th</sup> January 2019;
- and 20<sup>th</sup> March 2019

Fast track bids requesting sums up to £1,000 received on a rolling basis throughout the year were considered through email exchange by representatives of the Panel.

Key figures:

Summary figures for grants are outlined in the table below:

Total funding available:	£175,000 – 2018/19 financial year (of which £25,000 was allocated for Fast Track applications)
Complete bids received over the period:	48 <ul style="list-style-type: none"><li>- 25 Panel applications</li><li>- 23 Fast Track applications</li></ul> <i>(Additionally 1 Panel bid was withdrawn by applicants prior to consideration by Members)</i>
Total requested:	Overall: £162,904.70 <ul style="list-style-type: none"><li>- £143,403.25 in bids to Panel</li><li>- £19,901.70 in Fast track applications</li></ul> <i>(Above excludes withdrawn bid request totalling £15,000)</i>
Total successful bids:	45 <ul style="list-style-type: none"><li>- 25 Applications approved by Panel</li><li>- 20 Fast Track Applications</li></ul>
Total funding awarded:	Overall: £160,813.20 <ul style="list-style-type: none"><li>- £143,400.00 Panel applications</li><li>- £17,413.20 Fast track applications</li></ul>

Table 1: Programme grant summary 2018/19

## 1.1 Summary observations about the grants scheme:

- 2018-19 was the third year of the current grant programme, following a review intended to secure the sustainability of the fund. No changes were introduced to the scheme for this year, the budget remained £175,000 and the Panel had previously decided to keep the three focused 'Priorities for funding' unchanged, providing applicants with a period of consistency to help with planning projects.
- Overall the number of applications to the programme was over 70% up on the previous year. The increase was most pronounced in the Fast Track bids, up from 12 to 23, although 2017-18 had been unusually low in these applications. It has also been popular with different types of groups (e.g. small capital improvements to community halls etc.) The figures below breakdown this increase and comparison in more detail.

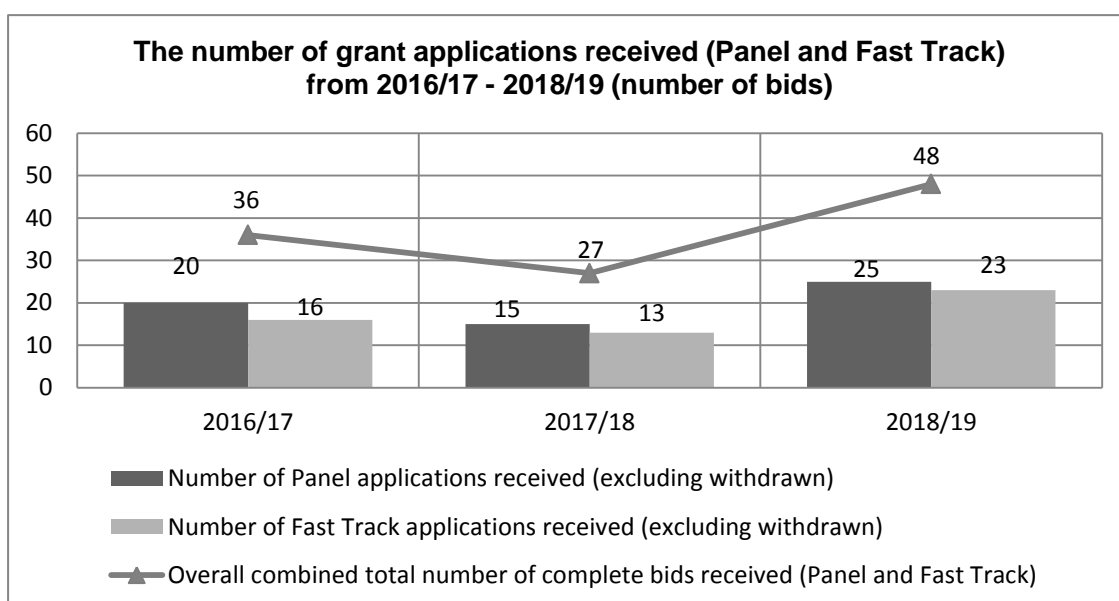

Fig.1 Year on year on the number of applications received

- Figure 2 below shows that overall the increase has been in more 'modest' sized bids which reinforces a trend noted in the last Report, for fewer large-scale/ambitious schemes coming forward as groups manage the unpredictable financial climate.

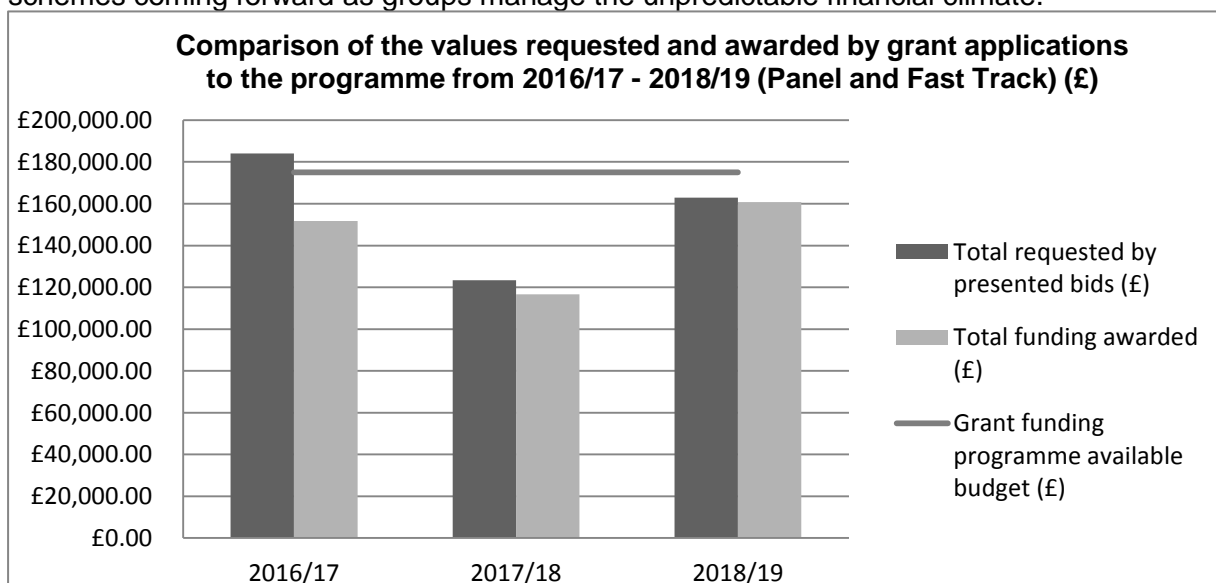

Fig.2 Year on year comparison of funding awarded in total to applications to the programme

- All applications received this year enjoyed a high rate of success (94%). Funding Advisors are encouraged to ensure that applicants are aware of the Funding Priorities (which are now less broad) to ensure a good fit from submitted bids.
- Looking at the 'Priorities' for funding, there was a continued decrease in 'Economy' bids (reflecting the availability of Enabling Grants detailed in 2.5). For the first time most 'Over £1,000' bids were being made under the 'Targeted Projects' priority, frequently by community and voluntary services supporting the most vulnerable in communities (61% of all Panel bids.) These applicants were generally reporting an increase in demand.
- Applications came from Parishes well dispersed across the District suggesting a good level of awareness of the scheme. There was also an increase in the number of bids from organisations providing a 'District-wide' service (this included groups such as: the local Foodbank, mediation, support services for vulnerable families, counselling provision for survivors of abuse).

## **1.2 Grants- decisions made by the Grants and Concessions Panel:**

A full list of decisions made on grant applications to the Grants and Concessions Panel during the review period is documented in Appendix 1. The outline below gives an overview of the grant applications (over £1,000) considered by each Panel meeting.

### **▪ 11<sup>th</sup> July 2018**

The Panel considered five applications requesting a total of £28,626.50. Two applications were considered under the 'Improving Living Places and Spaces' priority and three under the 'Targeted Projects' priority. All considered bids were successful (Panel rounded figures) with £29,000 awarded. One application for £15,000 was withdrawn by the applicant before the Panel. Half were to benefit the whole District.

### **▪ 10<sup>th</sup> October 2018**

The meeting was the busiest of the year, considering nine applications requesting a total of £53,914.00. All applications were successful and supported in full with £54,000.00 awarded. This included one bid under the 'Improving Living Places and Spaces' priority, the other eight were all under the 'Targeted Projects' priority. The average grant awarded was £6,000 although there were three requests for £10,000, this meeting also considered the smallest request of the year (£2,400).

### **▪ 30<sup>th</sup> January 2019**

The Panel received four applications for the first meeting of the New Year. The total requested was £13,547.00. All four applications were made under 'Targeted Projects' and were supported. The average grant award was £3,375.00

### **▪ 20<sup>th</sup> March 2019**

The Panel received seven applications requesting a total of £46,915.75. Four applications were made under the 'Improving Living Places and Spaces' priority and three under the Targeted Projects. All were supported in full. This meeting considered the only two requests for the maximum grant of £15,000, although the other five all requested less than £5,000 making the average request £6,702.25.

### 1.3 Analysis of grant applications by 'Priority' heading

The grant application forms ask applicants to tell us which funding “priority” best describes the main outcomes of their projects. Applicants sometimes identify that their project cuts across multiple priorities but for analysis each bid has only been recorded under the principal priority identified. The funding ‘Priorities’ and descriptions, first introduced in 2016-17, continued unchanged during 2018-19, these were: ‘Improving Living Places and Spaces’, ‘Targeted Projects’ and the ‘Economy’ (described in full on p.17).

- The main grants pot saw a continued reduction in bids requesting support under the ‘Economy’ priority. This was anticipated as applications under the ‘Economy’ priority were capped at £2,500 and eligible activities under this scheme closely matched those of the separate Enabling Grants funding also administered by the Council during this year (full details at 2.5). This anomaly was picked-up when the programme’s ‘Priorities for Funding’ were reviewed in this year.
- There were no Panel bids under the ‘Economy’ priority. Of all the Panel grant applications received: 35% identified as contributing to the ‘Improving Places and Spaces’ priority, the majority were under ‘Targeted Projects’ – supporting ‘disadvantaged’ individuals, families and communities. This was a notable shift from previous years.
- Through the smaller Fast Track scheme, four applications were received under the Economy priority (17% of bids). 48% of bids received identified under ‘Improving Living Spaces and Places’ priority- often towards small scale improvements to community buildings or spaces. A further 35% requested Fast Track grants under ‘Targeted Projects’.
- Across the programme, the number of bids received under the ‘Targeted Projects’ priority was more than double the previous year- representing over half of the bids received. Under this priority theme there were 25 bids, these requested £94,242.70 and awards were made of £92,153.20 (57% of the overall total awarded). Included within this were a high number of moderate sized bids, 10 of the Panel bids were requesting £5,000 or less (the average Panel grant request value was just more than £5,000 slightly less than in previous years). There were two larger requests for £10,000 which were supported. These bids were often towards the running of voluntary sector services supporting vulnerable or disadvantaged individuals or families.
- ‘Improving Living Places & Spaces’ bids frequently requested a contribution towards a capital purchase or building project and are typically larger. The only two maximum grant requests of this year were under this priority and were both supported, these were both to large scale community building or park improvements. Eight bids were presented to Panel, 11 Fast Tracks were presented and all were supported.

Table 2 below analyses all successful grants by their priority theme:

Priority	Count all bids (number received)	Grant value requested by 'Priority'	Value Grant Awarded
<b>Economy</b>	4	£3,338.50	£3,000.00
<b>Improving Living Places and Spaces</b>	20*	£80,323.75*	£65,660.00
<b>Targeted Projects</b>	25	£94,242.70	£92,153.20
<b>Totals</b>	49	£177,904.95*	£160,813.20

\*includes one bid withdrawn prior to consideration requesting a maximum grant (£15,000)

Table 2: Programme grant summary of successful grants by Priority theme 2018/19

Figure 3 below illustrates by 'Priority', the total value of all applications considered (under that priority theme) and the total value of the grant offers made.

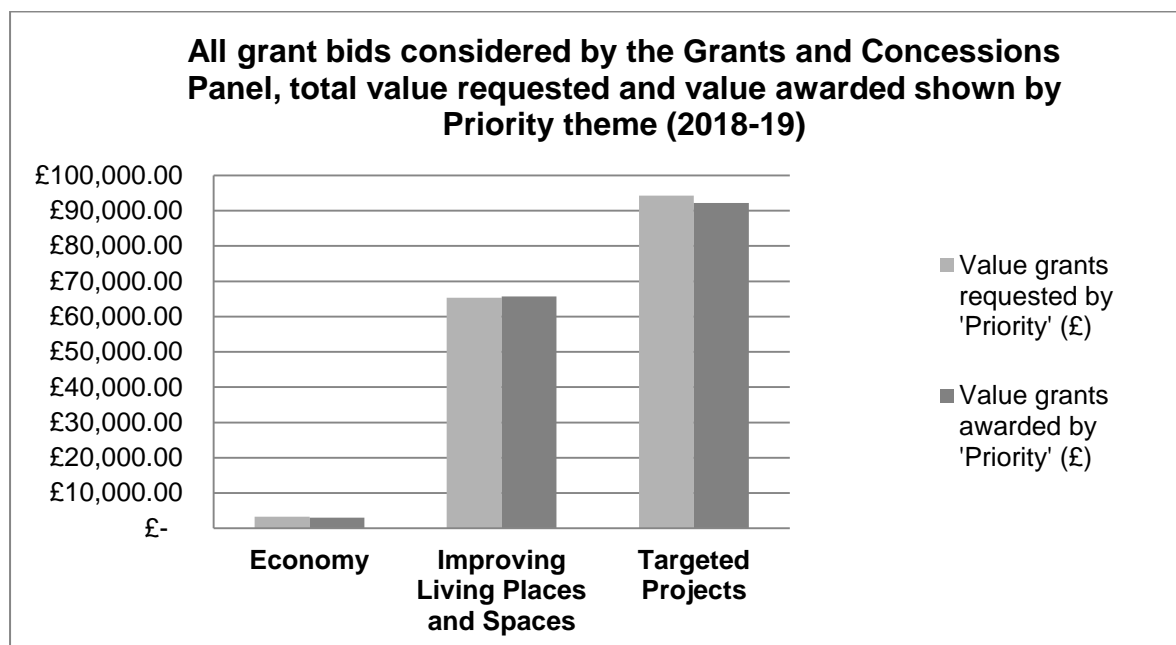

Figure 3: All applications considered (by Priority theme) and total value of grant offers made in 2018/19.

#### 1.4 Fast Track grants (under £1,000):

The grants programme was set up to include a quick decision making route for smaller requests, originally offering a maximum of £500, the Fast Track scheme maximum grant value was increased to £1,000 from September 2014. Requests under this process can be made using a shorter application form. It offers a quicker decision as applications are summarised and circulated to the Chair and two other members of the Grants and Concessions Panel by email and the decision is determined electronically without waiting for the following Panel date.

A full list of decisions made on Fast Track applications during the review period are documented in **Appendix 2**.

- During the financial year 2018-19, 23 Fast Track bids were received to the programme, a marked 92%, increase on the numbers received in 2017-18 financial year. Of the 23 bids, 20 were supported and 3 were declined. A total of £17,413.20 was awarded to support these bids, comfortably within the Panel's target budget allocation for Fast Track bids of £25,000.
- Greater scrutiny of the trends in Fast Track demand suggests an unpredictable cycle. While during the two previous years demand was fairly static (13 and 16), in 2015-16 there were 32 Fast Track bids so the 2018-19 increase suggests a return in popularity for this small scale, time responsive funding.
- Looking at the bids received, it is difficult to identify specific factors behind the increase. The grants were generally contributions to equipment or running costs for smaller scale community organisations. Greater awareness is a relevant factor following some promotion, also in some cases applicants seeking to use the more flexible/timely scheme rather than the Panel process. Another consideration is that the programme criteria suggest it should not fund exactly the same project year-on-year which makes an unpredictable cycle in bids from organisations likely.
- Of the successful grants, all except one received the full amount that they had requested. The smallest request was £175.20 to a Women's Institute group (only three asked for less than £500). A majority of applicants continued to be interested in a higher value of funding, with 14 of the bids requesting the maximum £1,000 grant.
- The 'Economy Priority was ticked by 17% of successful applicants to the Fast Track scheme, the 'Targeted Projects' Priority by a further 25% and the most successful Fast Track bids (58%) ticked 'Improving Living Places and Spaces'. **Fig. 4** (below) shows the distribution of the value of successful Fast Track grants by priority theme.
- Fast Track bids were well distributed across the District; take-up was good from parishes in the north of the District, and also from areas of higher population (three bids supported projects in Midhurst, three Chichester, one in Selsey). A full geographic analysis of all grant awards is in section 1.5 of this report.
- Fig. 4 below illustrates the split in Fast Track allocations awarded and in the next section Figure 5 provides the comparative split across the successful grant awards presented to the Panel (over £1,000)

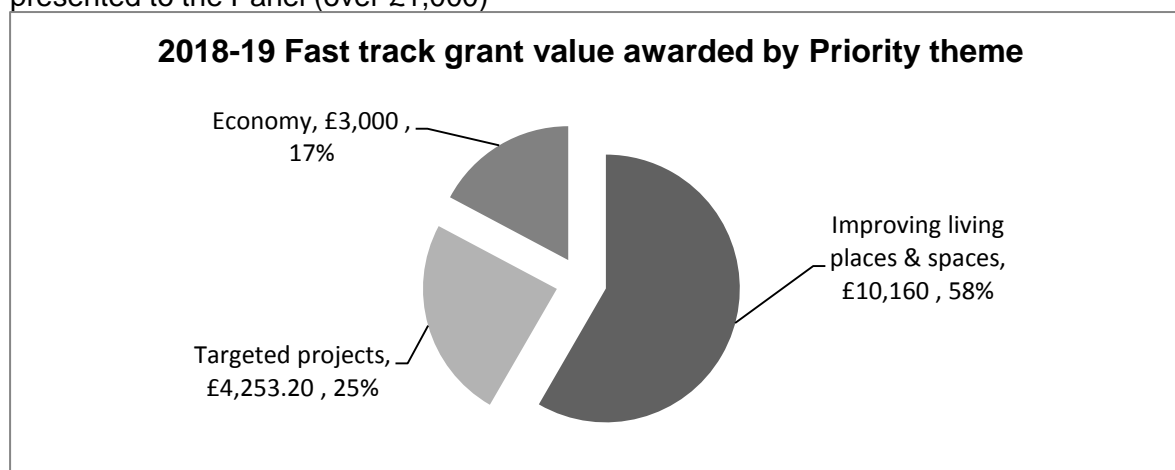

Figure 4: Fast Track grant awards agreed by Priority theme

## 1.5 Grants considered by the Panel (over £1,000)

Panel grant awards are normally up to an advertised maximum of £15,000 (or £2,500 through the Economy priority). The process is more in-depth than for Fast Track bids, with applications over £10,000 required to submit a supporting business plan.

- The larger grants supported a range of capital improvements to community facilities, community shops and play areas under the 'Improving Living Places and Spaces' priority. Under 'Targeted Projects' support services providing help for disadvantaged people and communities made applications (examples of bids receiving funding included: counselling provision, Chichester District Foodbank, support for vulnerable families).
- The average Panel grant request in this year was £5,736 (last year's average was £7,500) underlining a trend for more moderate funding requests. There were two requests for the maximum grant available (£15,000), three further requests for £10,000 and another two over £5,000. All of these presented larger bids, which were successful. The Panel process also caters for smaller requests - there was a higher than average number of requests for £5,000 and less this year (17). The smallest bid considered was £2,000, and was successful.
- The total value of grants requested considered by the Panel was £143,003.25 with £143,400.00 awarded (the Panel preferred to round figures).
- As identified in the geographic section (1.6), a high number of Panel bids were described as having a District wide benefit. This broad area of benefit was in-keeping with the projects' purposes and was typically being operated by voluntary sector based support services.

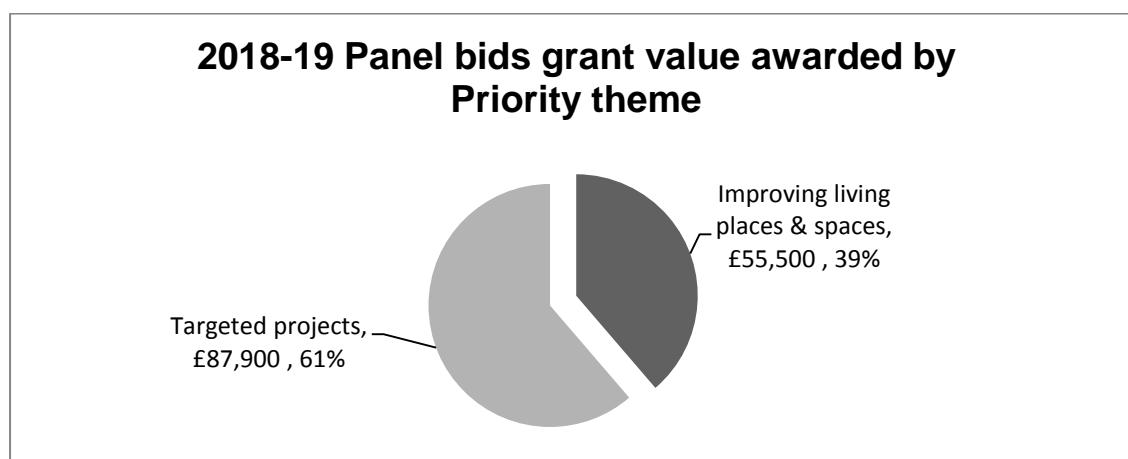

Figure 5: Panel grant awards agreed shown by Priority theme

## 1.6 Geographic analysis of grants (Panel and Fast Track)

The Grants and Concessions Policy sets no specific expectations for where funding should be awarded. The only relevant criterion set in the guidance is that bids must “primarily benefit residents of the Chichester District”.

20 individual parishes in the District benefited from successful applications to the grants programme (including Fast Track), an increase on last year in line with the overall increase in bid numbers. 12 applications identified that their beneficiaries would be ‘Districtwide’. These were either projects that geographically served an area significantly larger than a single Parish or a service that was available to a particular cohort of beneficiaries from across the District (Foodbank, Home Start). 51% of the funds awarded through the Panel process were to projects benefiting the entire District. The Fast Track process is designed to help local community projects so it was positive that these bids identified a wide spread of parishes as beneficiary areas, suggesting a good level of awareness of the scheme and that it continues to meet a funding need. These trends are illustrated in figures 6 and 7 below.

Areas of higher population density were identified in high number of bids (Chichester, Selsey). But bids were also received from some parishes who have historically not applied to the programme before (Bignor) and some of the smaller parishes of the District (Apuldram).

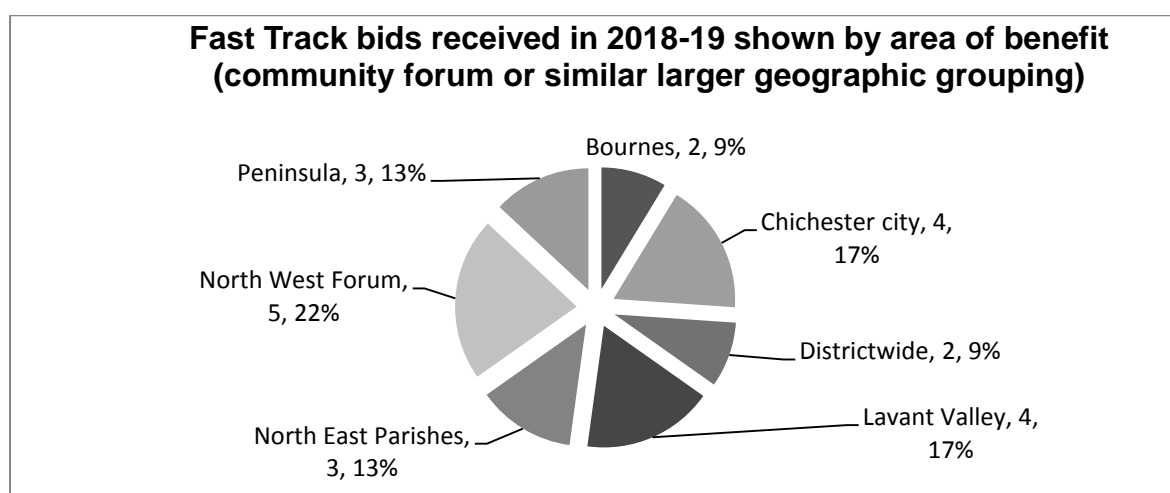

Figure 6. Where Fast Track grant applications came from in 2018-19

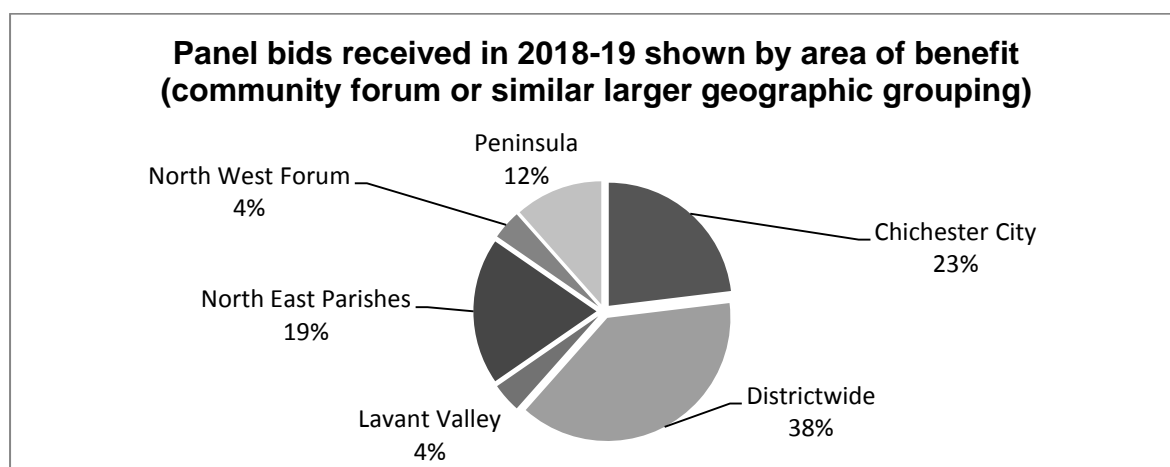

Figure 7: Where Panel grant applications came from in 2018-19

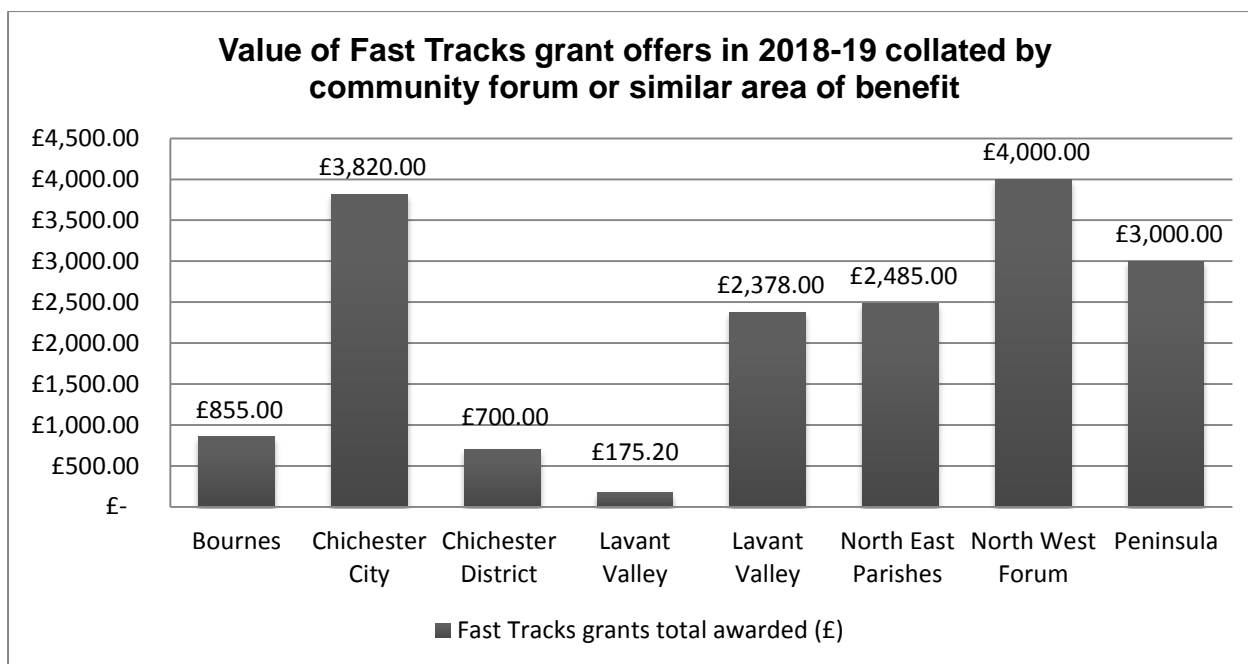

Figure 8: The area of benefit cited in grant application bids received and grant offer made.

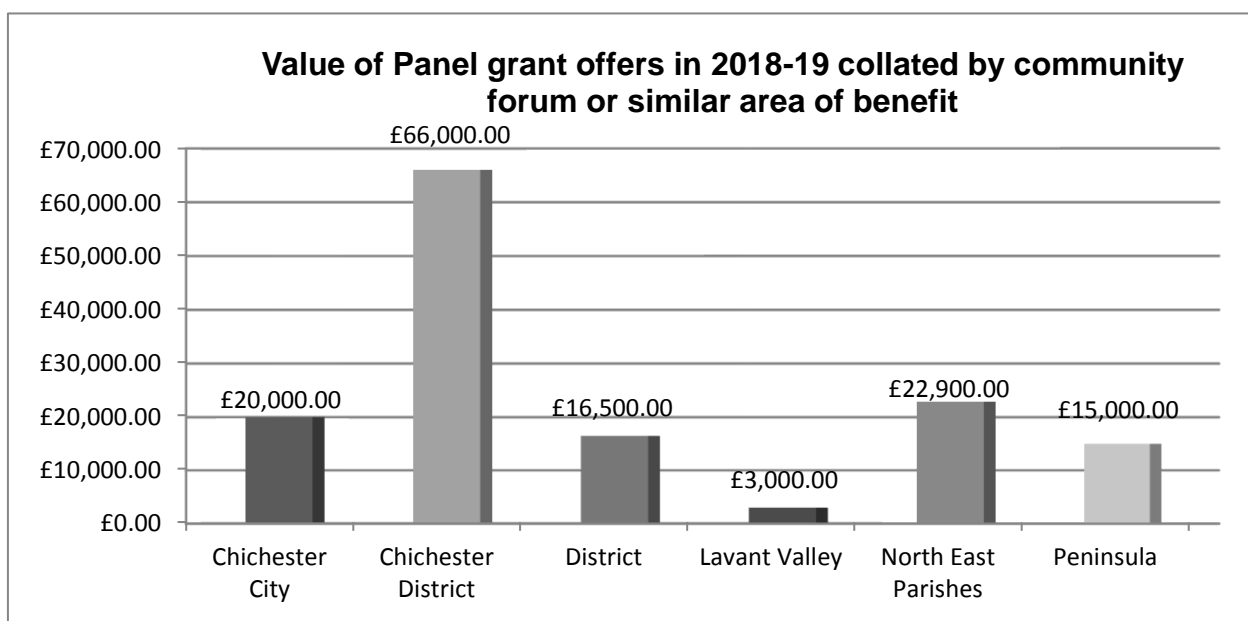

Fig. 9: The area of benefit funded projects cited in successful applications in 2018-19

In previous years the mapping of grant bids has shown limited numbers benefiting the Parishes towards the District boundaries. This year there was a more diffuse spread although still gaps to the North West of the District. Of the programme bids received that were to benefit a specific area, in addition to the more densely populated communities, many were to benefit communities in the North East of the District. The map overleaf (Figure 10) shows the bids received. While this mapping helps indicate where awareness of the scheme is strong, we also recognise that in the current economic climate, communities will often manage the number of projects they are trying to progress at any one time.

## **1.7 Priorities and principles of funding:**

One purpose of the Annual Report is to support the Panel's consideration of the effectiveness of the Grants and Concessions programme. It is an opportunity to review the guidance and also the 'Priorities and Principles' of funding to determine if the processes are bringing forward the types of project that this Council would like to fund.

The 2017-18 Report supported the Panel's assessment of the impact of previous changes made and proposal for updated Funding Priorities. Previous changes had been intended to secure the future of the fund and manage demand, as the introduction to this report noted there was an increase in the number of bids this year however this was manageable within the budget allocation. The Panel felt that changes made had broadly had the desired impact.

The three priorities for funding in 2018-19 were:

- **Economy**  
Helping viable start-up businesses and existing independent businesses to implement projects that create jobs, help business to grow, and benefit the local economy. MAXIMUM £2,500
- **Improving Living Places and Spaces**  
Improvements to publicly owned space or built assets that enhance the wellbeing of local residents, or the habitats of the District's wildlife.
- **Targeted Projects**  
Projects where the primary benefit is to those in greatest need. Priority would be given to projects benefiting "Think Family Neighbourhoods": Chichester East, Chichester South, Tangmere and Selsey North.

The Panel decided that after three years these priorities needed to be refreshed. They felt that the headings broadly enabled the types of project that the Council should be supporting to come forward for funding however updating was needed. The wording of 'Targeted Projects' referred to outdated policy and it was recommended that this should be broadened to focus on projects from any location with strong evidence that they are offering locally appropriate and effective interventions for the most vulnerable. The 'Economy' priority was also reviewed and once continued funding from a different source was confirmed to be available for another financial year for the same type of projects, this was updated to focus on 'Inward Investment' projects and projects reoccupying long-term vacant premises.

The new Priorities for funding were confirmed in March and launched for the new financial year 2019-20.

## Other grants and funding

### 2.1 New Homes Bonus

New Homes Bonus, a reward incentive from Government linked to the number of new homes built in the District, was intended to benefit those communities who had received housing growth. In considering the best means to achieve this, Chichester District Council developed the New Homes Bonus (Parish Allocations) Policy that devolved some of the receipt to Parish/Town/City Councils to fund suitable projects. The Policy was reviewed in 2017, and renewed for a further four years (2018/19 – 2021/22) subject to the annual confirmation of budget.

In February 2018 Cabinet confirmed a pot of £250,000 would be available for the final year 2018/19 – and as in previous years, an indicative split of funds was suggested, based on the level of development in each Parish during the preceding 3 years. An application process was used that allowed Parishes to promote projects for consideration, with submissions received by the end of July 2018. A special meeting of the Grants and Concessions Panel (26<sup>th</sup> September 2018) agreed allocations totalling £248,949.14, as set out in table 3 below.

Parish Applicant	New Homes Bonus Project Description 2018-19	Funding approved (£)
Birdham	Safety gates for Children's Playground	4,697.75
Chichester City	Boxing Club Transport, Chichester Boys Club	12,000
Chichester City	Nelson / Murray statue	15,000
Chichester City	Improvements to Oxmarket Gallery	15,000
Chichester City	Establishment of a hub for community services	15,000
Chichester City	Equipment for Lower Graylingwell Clubhouse	5,628
Chichester City	Replacement cladding and roof repairs, South Downs Planetarium	12,000
Chidham and Hambrook	Picket fence to create children's play area	4,614
Chidham and Hambrook	Induction Loop and PA, Village Hall	3,317
Chidham and Hambrook	Interpretation Board, The Dell	570
Chidham and Hambrook	Benches and Fencing, Hawthorne Meadows	2,659.80
Donnington	Playground improvements – new swings	3,604
Donnington	Lift to stage, Parish Hall	9,362

<b>Parish Applicant</b>	<b>New Homes Bonus Project Description 2018-19</b>	<b>Funding approved (£)</b>
East Wittering and Bracklesham	Improvements to seafront open space	12,000
Easebourne	Recreation Ground improvements	12,536
Fernhurst	New curtains, Village Hall	2,000
Fishbourne	New footpath on playing field	11,400
Funtington	Bridleway repairs	2,650
Hunston	New Disabled toilet, Village Hall	3,600
Lavant	Playground improvements – new swings	3,989
Lynchmere	Grave Markers for burial ground	1,410
Midhurst	Improvements to Old Library building	17,700
Oving	Improvements to Jubilee Hall	5,250
Oving	Donation to scarecrow day	Refused
Petworth	Practise equipment for Cricket Club	1,940
Plaistow and Ifold	Notice Board doors	799.16
Plaistow and Ifold	New benches	1,118
Rogate	Rake Playground project	712
Selsey	Playground improvements – East Beach	15,000
Southbourne	Improvements to public open space	6,574.56
Southbourne	Public Access defibrillator	2,345
Stedham with Iping	Public Access defibrillator	1,250
Tangmere	Lighting and sound equipment for Village Centre	11,900
Tangmere	Trees	649.87
Tangmere	Speed Indicator Devices	5,710
West Wittering	Roofing, Memorial Hall	7,000
Westbourne	Speed Indicator Device	5,000
Westhampnett	Furniture, Community Hall	12,963

Table 3: New Homes Bonus Summary 2018/19

## 2.2 Service Funding Agreements and Contracts:

Chichester District Council maintains a number of on-going financial arrangements with voluntary organisations which are conditional upon performance against a Service Funding Agreement or contracts that set the duration and purpose of the funding and the expected outcomes. Monitoring and renewal of these is undertaken by officers but will be referred to the Grants and Concessions Panel where, for instance, performance issues require consideration.

The table below sets out the current arrangements in place. The Panel made recommendations in the year on funding for the organisations whose arrangements were due for review.

Organisation	Funding Type	Value	Duration
Arun & Chichester Citizens Advice	Contract	£74,000	Extension up to 2 year to allow for renegotiation
Voluntary Action Arun & Chichester	Grant - Funding Agreement	£44,000	1 year Agreement
Shopmobility	Grant – Funding Agreement	£15,000	2 year Agreement.
Stonepillow	Grant – Funding Agreement	£27,000	Year 2 of 2 year Agreement

Table 4: Service Funding Agreements and contracts 2017/18

## 2.3 Cultural Grants:

Chichester District Council also provides funding for Chichester Festival Theatre and Pallant House Gallery through separate funding agreements that are, as above, conditional upon performance against a Funding Agreement. These organisations have not been included in the main grants analysis as the budget is held separately. The table below sets out the current arrangements in place.

Organisation	Funding Type	Value set	Duration
Chichester Festival Theatre	Grant – Funding Agreement	£187,500	4 year Agreement from 1 April 2018 to 31 March 2022
Pallant House Gallery	Grant – Funding Agreement	£130,000	4 year Agreement from 1 April 2018 to 31 March 2022

Table 5: Cultural Grants 2018/19

## 2.4 ‘Battle’s Over’ Grants

In honouring the commitments of the Armed Forces Covenant and supporting communities’ desires to mark the centenary of the end of the First World War in November 2018, the Council decided to offer small grants to Parish/Town/City Councils to encourage localised acts of commemoration.

The grant was specifically promoted to encourage Parishes to participate in the national “Battle’s Over” chain of beacons or bonfires. Where such activity has not been supported locally, consideration has also been given to grants that support a variety of acts of commemoration. Six grants were made and reported in the previous year. In this financial year concluding the scheme, the following grants have been agreed (delegated to officers by the Chair of the Grants and Concessions Panel):

Parish	Purpose of grant	Grant approved
Bepton	Restoration of War Memorial	£250
Birdham	Music Evening	£250
Bury	Ceramic Poppies	£250
Cocking	Beacon	£250
East Wittering	Beacon	£250
Earnley	Silent Airman	£250
Eartham	Beacon	£250
Easebourne	Bonfire	£250
East Dean	Silent Soldier	£250
East Lavington	Event with Duncton PC	£250
Fittleworth	Silent Soldier	£250
Kirdford	Memorial Plaques	£250
Lavant	Silent Soldier	£250
Lynchmere	Silent Soldier	£250
Midhurst	Event with Easebourne	£250
Milland	Memorial Bench	£250
North Mundham	Silent Soldier	£250
Petworth	Beacon	£250
Plaistow and Ifold	Beacon	£250

Parish	Purpose of grant	Grant approved
Singleton	Silent Soldier	£250
Tangmere	Beacon and Silent Airman	£250
Tillington	Beacon	£250
Trotton with Chithurst	Poppies and Wildflowers	£250
Westbourne	Beacon	£250
Westhampnett	Beacon	£250
Wisborough Green	There But Not There	£250
Woolbeding with Redford	Beacon	£250

Table 6: Battle's Over Grants 2018/19

## 2.5 Enabling Grant Scheme

Following a funding bid to the West Sussex County Council's Pooled Business Rates Fund, the Chief Executive's and Leaders Group approved funding of £500,000 for six West Sussex Districts and Borough Councils to operate small grants schemes to support businesses for 2018/19. Chichester District Council was allocated £71,428.

CDC Economic Development Service launched the Enabling Grant Scheme in May 2018, designed to support local businesses with small capital or website projects, as well as taking on apprenticeships. Each applicant was eligible for up to 50% of the total cost of their project. Capital projects were funded to a maximum of £2,500. Grants to assist apprenticeship training were up to a maximum £1,500.

From this scheme, the Economic Development Service received a total of 49 applications; 2 applications are in progress, 38 applications are complete and have received their grant funding and 9 applications were either declined or withdrawn. Of the 38 complete applications, 22 applications were for capital projects, 14 were for website projects and 2 were for apprenticeship training.

These projects have helped to protect 212 jobs in the District, potentially helping to create 65 new jobs and supporting with training 2 apprentices.

The table in **Appendix 3** lists the businesses awarded grants through the scheme and value awarded.

## 2.6 Community-led Housing Scheme

In the 2016 the Government announced a £60 million fund from the government's Community Housing Fund (CHF) in their Autumn Budget. Chichester District Council was allocated £1,386,067 from this fund to support Community-Led Housing (CLH) developments within the district. It was agreed that a portion of this fund would be issued directly to CLH groups and organisations to support the delivery of affordable housing through the district. More details on this funding can be found on our webpages: [www.chichester.gov.uk/communityledhousing](http://www.chichester.gov.uk/communityledhousing).

Applicant	Grant description	Grant Funding 2018/19 (£)
Chichester Community Development Trust	Business development grant for work to explore viability of delivering moving on accommodation through restoration of old housing association properties.	£4,500.00
Compton affordable housing working group	Early stage support grant to cover legal expenses incurred in relation to the Compton recreation ground affordable housing project.	£2,000
Dears Almshouse	Technical and feasibility grant to support the delivery of 4 new Almshouse units along Riverside, Chichester.	£21,399.50
Dears Almshouse	Land purchase grant to support the delivery of 4 new Almshouse units along Riverside, Chichester.	£32,500.00
For Kirdford	Early stage support grant to cover costs of incorporation of the "For Kirdford" community land trust.	£500.00
Midhurst Community Land Trust	Early stage support grant to fund public consultation costs and pre-scheme architectural drawings.	£1,999.65
Midhurst Community Land Trust	Business development grant to support incorporation of MCLT and scope options for the delivery of affordable housing.	£5,586.85
START	Early stage support grant to cover membership cost to the NCLTN.	£49.00
Westbourne Community Trust	Early stage support grant to fund public consultation costs and explore viability of the Mill Road scheme.	£1,438.44
Westbourne Community Trust	Business development grant to support incorporation of WCT and scope options for the delivery of affordable housing.	£1,500.00
Wisborough Green Village Trust	Early stage support grant to cover membership cost to the NCLTN.	£49.00
Wisborough Green Village Trust	Business development grant to fund legal expenses involved in the incorporation of WGVF.	£2,500.00
<b>Total:</b>		<b>£74,022.44</b>

Table 8: Summary of CLH funding 2018/19

## 3.0 Concessions

### 3.1 Discretionary Rate Relief:

Appendix 4 (i and ii) details all recipients of Discretionary Rate Relief in 2018/19.

In summary:

Relief eligibility	Organisations (number)	Total Award (relief to organisation)	Total Cost (to CDC) 40%
Exceptional Circumstances	1	£ 956.42	£ 382.57
Discretionary Relief Scheme	787	£ 218,191.85	£ 87,276.74
<b>Overall totals</b>	<b>788</b>	<b>£ 219,148.27</b>	<b>£ 87,659.31</b>

Table 9: Summary of Concessionary rate relief 2018-19

Appendix 4(ii) provides details of recipients of an award in accordance with the Non-Domestic Rates Discretionary Scheme 2017-2021 shown by Parish. This scheme was developed in response to Central Government's announcement in March 2017 that it would make available a discretionary fund over 4 years from 2017/18 to support those businesses that faced increases in their business rates as a result of the revaluation. Each authority within England has been provided with a share of the £300 million fund to support local businesses. This is to be administered through billing authorities' discretionary relief powers under section 47 of the Local Government Finance Act 1988.

The funding is not provided equally over the four-year period but in the following percentage terms:

Year 1	Year 2	Year 3	Year 4
58%	28%	12%	2%

Councils will be compensated for any relief granted under section 31 of the Local Government Act 2003.

Chichester District Council's allocation of the Government funding for discretionary relief is set out below.

<b>Amount of discretionary fund awarded (£000s) – Chichester District Council</b>				
2017-18	2018-19	2019-20	2020-21	Total
458	223	92	13	786

The funding is front loaded for 2017/18 and will be reconciled as part of the closedown for the financial year in order to determine whether any unallocated grant should be returned.

Appendix 4 details the recipients of mandatory relief and Appendix 4 ii details all recipients of an award in accordance with the Non-Domestic rates discretionary scheme 2017-2021 (revised November 2018).

#### Geographic analysis

Appendix 4(i) details the locations of organisations in receipt of rate relief, and the distribution by Parish reflects the rural bias to a number of these eligibilities. Total award and cost to CDC is always in proportion to the rateable value of individual organisations and businesses, so form no basis for comparison.

## 3.2 Concessionary Rents:

### Concessionary Rents

Table 10 below provides details of all the Concessionary rents determined during the period of this report whose applications were presented to the Grants and Concessions Panel. No decisions have been made under delegated powers during the period.

### Geographical Analysis

The Table also details the location of premises occupied by businesses or organisations in receipt of a rent concession.

Concessions agreed during the period relate to Council owned buildings across the District occupied by groups or organisations with whom there is either a long standing association, or their existence in the location represents a community benefit.

While it is of value to understand the details of those elements of the estate and which communities are directly benefiting from concessions, the Council does not own comparable buildings in all areas, which therefore limits the availability of similar facilities to other groups.

### Concessionary Rents determined in the Annual Report period April 2018 – March 2019

Parish	Address	Applicant	Decision	Date
Chichester North	Football Ground and Premises, Oaklands Park, Chichester	Chichester Community Football Club	Panel agreed concession of 89% for period to 31/5/19	11 July 2018
Chichester Central	3a Market Road, Chichester	UK Harvest	Panel agreed concession of 42% year 1 reducing to zero over 5 year term	11 July 2018
Chichester Central	Brick Clubhouse, Priory Park, Chichester	Chichester Bowls Club	Panel agreed concession of 67% for 5 month term	30 January 2019
Fernhurst	2 Crossfield, Fernhurst	The Fernhurst Centre Ltd	Panel agreed concession of 70% to January 2021	30 January 2019
Chichester Central	Archery Clubhouse, Oaklands Park, Chichester	Chichester Bowmen	Panel agreed concession of 57% to June 2022	30 January 2019
Chichester South	Hut at Pound Farm Road, Chichester	Chichester Harbour and Selsey Sea Cadets	Panel agreed concession of 92% pa to March 2020	30 January 2019

**Appendix  
4 (ii)**

**Details of Discretionary Reduction Scheme awards 2018/19 as 12 August 2019**

Discretionary Reduction Scheme awards, are awarded for the four financial years from 2017-2021. Each local authority within England has been provided with a share of the £300 million fund to support local businesses within their area that faced increases in their business rates as a result of the revaluation that came into effect on 1 April 2017. Chichester District Councils share of the fund is £786,000.
