What can I put in my black bin?

Watch your waste
Have you recycled
all you can?

Your black bin is for the leftover rubbish that cannot be reused, recycled or composted. It is not for garden waste, bulky items, corrosive materials/liquids or hot ashes.

ONLY rubbish inside the bin will be collected. Please close the lid and do not overfill your bin!

What time do I place my bin out for collection?

Please put out the correct bin at your collection point by **7am** on your collection day. Further guidance on your collection point is available below. If you are physically unable to place your bin out then please contact us for guidance.

What day is my collection?

You can view, download or print your personalised collection dates online at: www.chichester.gov.uk/wastecollectioncalendar

What can I do with any excess waste?

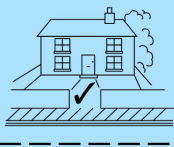

We will not collect additional general waste which is not contained within the black bin, unless it's presented in clear council excess waste sacks. Please refer to our website for more information on where you can purchase these sacks: www.chichester.gov.uk/domesticbins

Why was my bin not emptied?

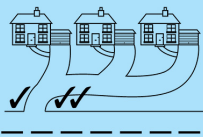

On the rare occasion your bin has been left unemptied please contact us so we can investigate as to why at: www.chichester.gov.uk/domesticbins

Waste/Recycling Bin Collection Points

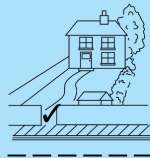

If your property has a front entrance your collection point is here:

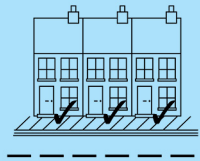

If you share a drive with a neighbour your collection point is here:

If the road or access to your property is at the back, your collection point is here:

If your property is in a terrace, your collection point is here:

Please note: We may change your collection point for operational reasons. Residents subscribing to the Garden Recycling Service are required to present the green bin outside the property boundary as per the terms and conditions of the service.
