They also need to publish information showing how they are complying with this duty. The Act defines nine protected characteristics. These are:

- Age
- Disability

- Marriage and Civil Partnership

- Race
- Religion and Belief
- Sex (Gender)

These plans have been subject to equalities assessment.</p> <p>The policies put forward in the Neighbourhood Plan are in general conformity with the Chichester Local Plan. In addition, the policies have been prepared so as to be inclusive of all aspects of the community.</p> <p>Throughout the preparation of the NP, the steering group has been working with a range of stakeholders and delivery partners to ensure broad support and to identify any particular bias through earlier consultations.</p> <p>Details of the extensive engagement with the local community may be found within the Consultation Statement that accompanies this submission.</p>
<p><i>How can you involve your customers in developing the proposal?</i></p>	<p>Stakeholders and delivery partners should find the information in the Southbourne Parish - Neighbourhood Plan Review easy to understand. There are some principles and concepts which may seem more remote to members of the public however the Neighbourhood Plan document must meet the Regulations laid out in law so must meet certain tests.</p>
<p><i>Who is missing? Do you need to fill any gaps in your data?</i></p>	<p>The approach detailed seeks to ensure the community has and will continue to have access to a range of services and facilities that are consistent with the parish character as well as helping to provide excellent open space facilities. The NP positively supports retention of existing facilities and the delivery of additional housing and community facilities in conjunction with the creation of new employment opportunities which together will encourage greater social inclusion and community cohesion. Good design will support delivery of a built environment which is safe and secure, so reducing the fear of crime and enhance community safety.</p> <p>On balance, the Southbourne Neighbourhood Plan Review should not have an adverse impact on equality groups.</p>

Consultation is a statutory requirement and as part of the plan making process as is the Duty to Cooperate with other bodies, allowing everyone the opportunity to comment.
