

## The City of Chichester Local Buildings List

---

Chichester Crown Court  
Southgate  
Chichester  
West Sussex

---

### Additional Information

- Designed by the County Architect, C G Stillman in 1940.
- Well proportioned façade with nicely articulated features.
- Retains a good sense of the art deco period (1920-39) with its obvious references to eastern architecture.
- Potentially has Dudok/Swedish influences with a lack of ornament, rare outside of London in this period.
